(initial) **Medical Examination:** Immunization record should be submitted by child's first day of enrollment.

(initial) **Medical Authorization and Consent to Treat:** I hereby authorize the School and its agents and employees to consent on my behalf to any x-ray or other diagnostic examination, anesthetic, medical, dental, or surgical diagnosis or treatment, and hospital care, which is deemed advisable by, and is to be rendered under the general or specific supervision of any physician licensed under the laws of the jurisdiction where such diagnosis or treatment may be given, whether such diagnosis or treatment is rendered at the office of said physician, at a hospital, or at any other location, in the event my child requires urgent medical care. It is understood that this authorization is given in advance of any specific treatment or diagnosis, but is given to provide authority and power of treatment or hospital care which the aforementioned physician in the exercise of best judgment may deem advisable. I understand and agree, for myself, the child, the Parents, and any other Claimant (as that term is defined in the Family Handbook), that neither the School nor Sunrise Preschools, nor their agents or employees, shall be liable in any way in connection with any medical care provided to your child.

(initial) **Consent to Medication Administration:** Please refer to the Medication Administration section of the Family Handbook for the School's Medication Administration policy. If your child requires medication during the school day, you must initial and complete this section and must complete all School-required forms identifying the child's medications, dosage, and the frequency and method of administration (and must update those forms to reflect any changes). Over-the-counter medication must be provided in its original packaging with the label intact. Prescription medication must be provided in original pharmacy packaging, which must include the child's name, medication name, dosage, and frequency, and the name and contact information of the prescribing healthcare provider.

**Medical History:** Please describe any medical history for your child of which the School should be aware, including food or other severe allergies, seizure disorders, communicable diseases, or any condition which may require emergency treatment while at School or may limit the child's ability to participate in School activities.

**Accommodations for Children With Disabilities:** Each child is an individual, and the School welcomes open and effective communication about a child's particular needs as part of the enrollment process. The School is committed to complying with state and federal law regarding students with disabilities. **It is very important for the child's safety that Parents fully inform the School of any disability that may require an accommodation by the School during the enrollment process and before the child attends School.** If your child has a disability that may require an accommodation by School, please describe the disability and the proposed accommodation in the space below. The School will review this information and contact you to discuss whether reasonable modifications to the School's policies and practices are available to accommodate your child's needs. If the child requires an accommodation that the School is unable and not required by law to provide, or if the School determines that the child's presence poses a direct threat to the health or safety of any person, the School may rescind this offer of enrollment or request Parents disenroll the child and make alternative arrangements.

## CHILD MEALS

(initial) **Feeding Plan:** Your state may require state specific forms related to feeding plans. Your school will provide the forms; please return completed forms on/before the first day of enrollment.

**Special Diets:** If your child requires a special diet or must avoid certain foods because of a food allergy, medical condition, religious practice, or reason of conscience, please carefully review the Meals section of the Family Handbook and explain any requests regarding meals served to your child in the space below. **IF YOUR CHILD HAS A FOOD ALLERGY THAT MAY REQUIRE MEDICAL TREATMENT, PLEASE ALSO LIST THIS INFORMATION IN THE MEDICAL HISTORY SECTION ABOVE.**

## PARENT RELEASES, NOTICES, AND CONSENTS

(initial) **Field Trip Consent:** I understand and agree that the School organizes field trips off-campus or outside of the property from time to time. Field trips involve travel to and from the School in School vehicles operated by School employees. School employees and Parent volunteers will supervise students while on field trips, but field trip locations may not be under the exclusive control of the School, and members of the general public may be present. The School will exercise reasonable care in selecting field trip destinations, but cannot and does not guarantee that no risks will be present at field trip destinations. Because School employees attend field trips with students, all students who are present at School on the day of a field trip must attend the field trip. If you do not wish your child to participate in a field trip, or if you do not initial this section of the Family Agreement, you should plan to make alternative childcare arrangements for your child on the day of the field trip. By initialing this section, you consent to allow your child to attend any School field trip, understand and agree that you are responsible for payment of any fees associated with a field trip in advance, and understand that, despite the School's reasonable efforts, it is not possible to fully eliminate all risks to students associated with participation in or travel to and from a field trip. Additional documentation, consent forms, and releases may be required for child to participate in field trips.

(initial) **Public/Private School Transportation:** If the School offers transportation of students between the School and a child's other public or private school, Parents may opt in to that transportation by completing this section. If the School does not offer transportation or the Parents do not complete this section, the Parents must follow the default drop-off and pick-up policies set out in the Family Handbook. If your child requires a transportation accommodation (e.g., wheelchair-capable transportation), please explain in the Accommodations for Children With Disabilities section above.

By initialing this section, I give the School permission to transport my child between the School and the public or private school listed below. I understand and agree that my child's behavior during School transportation is subject to the Family Handbook.

(initial) **Swimming/Water Activities (if available at School):** By initialing this section, I consent to my child's participation in swimming and other water-related activities with the School. I understand and agree that there are inherent risks in swimming and other water activities, have considered those risks and the child's ability to safely participate in those activities with reasonable adult supervision, and voluntarily consent to allow my child to participate. I understand that participation in swimming and other water-related activities is purely voluntary and is not a condition of the child's enrollment or attendance at School. I have received a copy of the School's Aquatics Policy, have had the opportunity to discuss the Policy with the School and ask any questions I may have about the Policy.

(initial) **Video Recording:** I understand that my School may offer video services, which provides (a) families and administrators of the School with the ability to view, at applicable locations where such recording is enabled, to the activities of all individuals on their premises for their internal purposes (“Recordings”), (b) families with the opportunity to view their children online and share in their day via streaming video (“Video Streams”), at applicable locations where such streaming is enabled, and (c) academic services, such as third party online educational programs and/or remote tutoring services that may include video sessions (“Video Sessions”). I acknowledge and agree that the School (a) may record video and audio in the form of the recordings and/or video sessions, where applicable, of myself and my child(ren) while on School premises for academic purposes and/or their internal administrative use and (b) may stream the live video streams via a third-party service to School families.

(initial) **Photo/Video Authorization:** For good and valuable consideration, I hereby grant to the School and Sunrise Preschools the irrevocable and unrestricted right to make, use and/or publish any and all photographs, videos, and other images of my child, or images in which my child may be included, now existing or hereafter made, in any case, with or without identifying my child for editorial, advertising, news, or any other purpose and in any manner and medium; to alter the same without restriction; and to copyright the same. On behalf of myself and my child, I specifically waive all rights to privacy and confidentiality with respect to name, likeness, voice, photographs, images, video recordings, audio recordings, and identifying information.

(initial) **Student Behavior Expectations:** I have received a copy of the Family Handbook and have read, had the opportunity to discuss with the School and ask any questions. I understand the expectations for my student to comply in all respects to all the rules, policies, procedures and behavior expectations and I agree to ensure my child acts in accordance with same.

(initial) **RELEASE OF LIABILITY AND INDEMNITY AGREEMENT:** I understand and agree that my child’s attendance at School and participation in any of the activities described in this Parent Releases, Notices, and Consents section carry certain risks, which include the risk of physical injuries. I have considered those risks in light of the information in the Agreement, have asked any questions I may have of the School regarding School programs, and have determined that my child can safely attend School and participate in the activities described in this Agreement. As a result and in consideration of School’s offer of enrollment to my child for myself and any Claimant (as that term is defined in the Family Handbook), I hereby fully and irrevocably agree to waive, release, and indemnify and hold School, Sunrise Preschools, and their respective agents and employees (collectively, “Indemnitees”) harmless from and against, any and all claims, controversies, costs, expenses, attorney’s fees, claims damages, demands, suits, judgments, losses, or liability for injuries to property, injuries to persons (including my child) and from any other costs, expenses, attorney fees, claims, suits judgments, losses, or liabilities of any and every nature whatsoever arising in any manner, directly or indirectly, out of, in connection with, in the course of, or incidental to the child’s attendance at, participation in, or transportation to or from School or any School activity, REGARDLESS OF CAUSE OR OF THE JOINT, COMPARATIVE, OR CONCURRENT NEGLIGENCE OF THE INDEMNITEES.

## TUITION AGREEMENT

Tuition Agreement will be provided to guardian by school.

## PARENT CONCERNS, DISPUTES, AND LEGAL RIGHTS

***The Parent Concerns and Disputes section of the Family Handbook affects your legal rights. You should read it carefully. Among other terms, it limits the types and amounts of damages that may be recovered from the School, waives the right to a jury trial in Disputes with the School, and REQUIRES THAT DISPUTES BE SUBMITTED TO ARBITRATION RATHER THAN RESOLVED BY A COURT.***

Some Disputes must be reported to the School’s District Manager in writing. The District Manager’s contact information is available upon request from the School Director, and may also be found at: Family Services Hotline 866-521-5437.

The Exclusive Venue for any Dispute, as that term is defined in the Handbook, is: Maricopa County.

You agree that this is a convenient forum for resolving any Disputes and that participating in related proceedings in the Exclusive Venue, whether in-person or electronically, would not pose an undue burden or expense.

This Agreement shall be enforced and interpreted according to the laws of the state of Texas (the “Choice of Law State”), without reference to conflicts of laws rules.

Capitalized terms used in both the Family Handbook and this Family Agreement have the same meaning throughout. If any provision of the Agreement is deemed unenforceable or void, the offending text alone will be stricken from the Agreement and the remainder of the Agreement will remain in full force and effect. In the event of any conflict between the Family Handbook, this Family Agreement, or any Addendum, the terms of this Family Agreement shall control. In addition, any published updates will be incorporated by reference into this agreement.

## STATE-SPECIFIC INFORMATION

**Additional Holidays:** In addition to the dates listed in the Holidays section of the Family Handbook, School is closed on the following days: Friday After Thanksgiving. A holiday that falls on a Saturday, Sunrise Preschools will be closed on that Friday; a holiday that falls on a Sunday, Sunrise Preschools will be closed on that Monday.

**Additional Required Parent Information:** in addition to the information you provided in your child's Enrollment Application, the state of Arizona requires the School to collect the following information regarding each parent.

### Required Information

#### Parent/Guardian 1

#### Parent/Guardian 2

## STATE-SPECIFIC POLICIES & PROVISIONS

### *Statement of Services*

**Child Care Classification:** Most Sunrise Preschools welcome children between the ages of six weeks through 12 years of age. Full-time and part-time schedules are available. See your Director for details and prices.

**Hours of Operation:** Most Sunrise Preschools are open year-round from 6:00 A.M. (earlier in some locations) to 6:30 P.M. (later in some locations), Monday through Friday. Sunrise is closed in observance of the following holidays: New Year's Day, Memorial Day, July 4th, Labor Day, Thanksgiving Day, Day After Thanksgiving, and Christmas. The schools close at 4:00 pm on Christmas Eve and New Year's Eve. If the holiday falls on a weekend, it will be observed on either the proceeding Friday or the following Monday.

**Enrollment/Disenrollment Policy:** The Enrollment Agreement, Child Enrollment Form, Emergency Information Card (which includes immunization record) and CACFP Affidavit must be on file on your first day at Sunrise. It is the responsibility of our parents to keep us informed of any record changes so that our records are up-to-date at all times.

We reserve the right to disenroll a child. It is requested that families give a 1 week notice to Sunrise if it becomes necessary to withdraw your child. This will help us in our attempt to meet the needs of those families on our waiting list.

**Tuition, Fees & Payment Requirements:** Tuition is based on a weekly rate and payable in advance. A late fee of \$5.00 per day will be charged each morning at 9:00 A.M. if tuition is not paid. There will be a \$25 charge for each returned check or ACH. More than two returned checks or ACH's in one year will result in future tuition payments being made by money order or cashiers check. If a returned check causes the account to be paid late, there will be an additional late charge for past due tuition. Infant programs are available on a full time basis only, and no credits will be issued for absences. For your convenience, Sunrise also accepts Debit cards, Visa, MasterCard and Auto Pay (ACH).

A \$50 non-refundable deposit will secure your child's space in the fall program if you are not attending during the summer

months and if space is available. The deposit will be applied toward your child's first month of tuition in August. A \$25 deposit is required for the Schoolage Summer Program. The Schoolage Summer Program deposit will be applied to the first week of summer tuition.

A non-refundable registration fee for each child is required upon enrollment at Sunrise. Re-enrollment will be on a "space available" basis. An additional registration fee will need to be paid at the time of re-enrollment.

Your child's space is guaranteed and for this reason refunds, credits, or make-up days will not be granted.

**Child Admission and Release Policy:** Parents are required to sign their child in when arriving and out when departing each day of attendance. The sign-in sheet is located in the reception area.

Children will not be released to anyone under the age of 16 and/or anyone other than those authorized by the parents and indicated on the emergency card. It is the parent's responsibility to inform the school, in writing, if someone other than those indicated will be picking up your child.

**Guidelines for Positive Discipline:** Sunrise uses discipline to teach children acceptable behavior and inner controls, not as punishment or retribution. Staff defines and maintains consistent, reasonable rules and limits for the children while modeling and encouraging appropriate behavior. Usually there are few discipline problems because the children are busy and happy in their activities in learning centers. Positive redirection is used first. If inappropriate behavior continues, staff will initiate "sit and watch" for a period of less than three minutes. Once the child has watched and acknowledged appropriate behavior, he may rejoin the group.

**Transportation Policy:** Transportation for school-age children (5 and in enrolled in Kindergarten to age 12), is provided to and from designated nearby public schools. Failure to properly notify your Director of a transportation schedule change will result in a \$5.00 charge per occurrence. More information can be found on page 3 above.

**Field Trips Policy:** Field trips are offered as educational and recreational activities for Sunrise children. Parents are not allowed to drop off or pick up children at field trips. Children must be present 30 minutes prior to departing for field trips. More information can be found on page 3 above.

**Parent Involvement & Responsibilities:** We welcome and encourage parent involvement throughout the Sunrise program. Classrooms and playgrounds are always open for observation and participation. Feel free to join your child for lunch, story time, or rest time. You are welcome to come to your child's classroom to observe anytime. We also encourage you to help the teachers with special centers, party days, etc. and to share with the children any special interest or hobbies you have. We appreciate your participation and ask that you coordinate your efforts with your child's teacher. The opportunities for parent involvement are endless!

Please ask about the following Family Support Services available at Sunrise:

- Parent/Teacher Conferences
- Family Oriented Activities
- Open Houses/Parent Seminars
- Parent Newsletter

For your child to fully benefit from creative activities at school, they should dress in casual play clothes and appropriate closed toe shoes.

Your child needs a complete set of extra play clothes and shoes labeled with their name in a gallon ziplock bag. These are kept in the cubbies provided for each child upon enrollment.

Parents of infants need to bring extra clothes, all bottles premade, diapers, wipes, ointment, pacifier, and whatever your baby requires during the day for teacher-caregivers to meet your child's needs. All of these items should be labeled with your child's first and last name and kept in the child's cubby. Parents should restock the cubby daily.

**Sunrise Programs:** Sunrise offers a variety of programs to fit the needs of our families. Programs include full and half-day enrollment which is available two to five days per week, before and after public school enrollment with van transportation, special summer programs, and services for special needs children. Our preschools offer nutritional snacks and lunches, field trips, guest speakers, parent/teacher/child open houses, conferences, special holiday events, birthday celebrations, computer as part of the daily program. Optional programs that may be included in your child's day are gymnastics, dance and more. Optional programs are at an additional cost to the parent. Childhood is fun! It is an important time for experimentation, exploration and discovery.

Sunrise divides its classes by developmental levels, guiding each child to reach their full potential. Your child's beginning preschool experiences, as they formulate lifelong skills and attitudes, are an important investment. At Sunrise, we believe each child is very unique. Our dedicated teachers continually strive to meet your child's individual needs and interests. Our staff receives ongoing training and guidance in early childhood education to model the Sunrise Philosophy. Each day is filled with planned and spontaneous moments of learning as well as group time fun.

Sunrise knows your child is special and we appreciate how important he/she is to you. We want your child to receive the very best care and education possible.

Our group levels are Infant, Toddler One, Toddler Two, Intermediate, Preschool, and School age. Teachers write and carry out posted activity plans that include weekly themes and well-planned learning centers that focus on the Sunrise Developmental Guidelines and Progress Goals. Teachers observe your child's physical developments, which include large and small muscle development along with self-help skills to attain independence. Teachers also chart emotional, social and intellectual development, which includes conceptual, perceptual and language milestones. We also prepare a daily summary of events so you know what your child did that day. We make relative suggestions on how you can continue learning at home to enrich the quality time with your child.

**Insurance:** Sunrise carries a complete insurance package that meets or exceeds the requirements of licensure. A copy is available for review on the facility premises.

**Medication:** Medication is administered once daily, at 11:30am. We reserve the right to request a note from your child's doctor stating that the illness is not currently contagious. We do not administer any non-prescription medication without a written note from the doctor for that particular time and illness. For more information, see page 2 above.

**Accident & Injury Procedures:** Sunrise Preschools has specific safety policies for our staff. Any accident or injury is reported directly to the Director or Assistant Director and is documented. The Director or Assistant Director will contact you if immediate attention is needed. If the injury is a minor one (a scratch or bruise), the information shall be relayed to you upon arrival.

**Inspection Reports:** State Licensure reports are available upon request. Notice of the availability of inspection reports for public viewing at the facility premises.

**Licensing Regulations:** Sunrise Preschools facilities are licensed by: The Arizona Department of Health Services located at 150 North 18th Avenue, Suite #140, Phoenix, Arizona 85007, and Department of Health Services located at 400 W. Congress, Suite #100, Tucson, AZ 85701. State Licensure reports are available upon request (602) 364-2539 and (520) 628-6541.

**Pesticides:** We may, at times, have a licensed, qualified exterminator apply pesticides to the facility. We will post notices of such occurrences at least 48 hours prior to their application and notices will also be posted after they have been applied. All applications will be made during hours the school is closed. We maintain a log of all pesticide applications.

**Parent Access:** We welcome and encourage parent involvement throughout the Sunrise program. Classrooms and playgrounds are always open for observation and participation. You are welcome to come to your child's classroom to observe anytime.

**Safety and Security:** Safety and security are very important to us. Every classroom is equipped with a security camera. Because we protect the privacy of all children, video is not available for viewing. Our schools do not store classroom video footage long term. In the event of an emergency, we will contact 911. By signing this agreement, permission is granted for children to play outside of the fenced in areas. This could include, but not limited to, special parades and visitors such as fire trucks to the school.

**Policy and Procedures for Suspension and Expulsion of Children:** If serious or repeated behavior issues develop, the School may notify Caregivers and provide copies of relevant incident reports, copies of which will be kept in the Child's file at the School. The School may also invite Caregivers to work with the School to prepare an Individual Action Plan for a child. The Individual Action Plan is used to determine cause for concern, based upon repeated or serious behavioral issues, to ensure the child's best interest is being considered, and to identify any reasonable changes to the School environment that may address behavioral concerns. The School, Child, and Caregivers are expected to implement the Individual Action Plan.

If an Individual Action Plan is not successful in addressing repeated behavior challenges, or in the case of behavioral challenges that the School determines to be very serious, the School may determine that the most appropriate response is to separate the Child from the School on a temporary (suspension) or permanent (disenrollment) basis. While the decision to separate a child

rests solely with the school, the school will make every effort to assess whether reasonable alternatives are available and appropriate before doing so. Examples of behavioral challenges that may result in separation include, but are not limited to: a child's failure to adjust after a reasonable amount of time and multiple attempts using different strategies, uncontrollable tantrums or angry outbursts, physical or verbal abuse to staff or other children, and/or excessive biting. If a Child is separated from the School for behavioral reasons, full tuition must be paid for periods of temporary separation and no refunds will be offered for temporary or permanent separation.

**Suspension/Expulsion Policy:** Sunrise Preschool partners with parents to provide the best possible outcomes for all children and we use an Individualized Action Plan that put into place for children displaying behavior problems. We use observation tools, documentation and positive cooperation is required from the family when dealing with disruptive behavior. We feel that consistency from all parties involved is the best way to handle these issues. We may also suspend care for non-payment of fees, inappropriate behavior by a parent, family member, or a child, such as verbal abuse, threats or physical abuse. Sunrise Preschools will stay in compliance with CCA 1-01-01 around Suspension and Expulsion Prevention and follow all necessary channels with [AzSTEPS](#) before any final decision is made regarding enrollment.
